**The Photoshop Elements serial number is required to take advantage of this special upgrade offer. The serial number is located on the CD jacket you received with your UMAX product.**

### TERMS AND CONDITIONS:

Adobe Photoshop upgrade price available to UMAX customers with a qualifying bundled product in the U.S. and Canada only. Prices are listed in U.S. dollars and do not include applicable sales taxes and shipping. Allow 3-4 weeks for software delivery. Offer subject to change without notice. Customers taking advantage of this special offer must use URL provided to ensure special pricing.

If the UMAX product that you purchase comes bundled with Adobe Photoshop Elements software, benefit from the perfect combination of power and simplicity so that you can creatively enhance your photos. In addition, Adobe would like to invite UMAX customers owning Photoshop Elements the opportunity to move up to Photoshop CS.

We're offering this special pricing to UMAX customers to make it easier to move up to Photoshop CS. You'll get superior results faster with indispensable new features for photography, graphic and Web design, and video.

Here are just a few of the powerful features you'll find in Photoshop CS:

#### Work smarter and faster

- Automate and batch process using Actions
- Customize your workspace, shortcut keys, and more
- Create tool presets with your favorite settings

#### Create professional-level Web graphics

- Use Adobe ImageReady® for rollovers and animation
- Create high-res, zoomable images for posting on the Web
- Take advantage of advanced compression controls for smaller, higher quality graphics

#### Enjoy the most advanced technology

- Reveal extra detail in under- and overexposed areas with Shadow/Highlight correction
- Quickly remove blemishes, wrinkles, and other imperfections with the Healing Brush
- Automatically apply the color and tone from one image to another with the Match Color command

#### Explore more design options

- Work with paragraph text using professional typographic controls
- Create your own shapes with precise drawing tools
- Create your own custom paintbrushes with dozens of options

#### Do more with layers

- Design your own layer styles from scratch
- Organize layers in nested sets
- Work more flexibly using layer masks

#### Get the most out of your photos

- Apply more sophisticated color corrections using Curves and the Channel Mixer
- Directly import raw digital camera files
- Simplify your photo workflow with a more advanced File Browser
- Enjoy comprehensive 16-bit editing

Special upgrade for UMAX customers:

Only **US\$299**—a **US\$350** savings off the regular price of **US\$649!**
